

## Feed My Sheep Food Program

Volume 2, Issue 2  
April, May, June 2011

# THE INSIDER

The Feed My Sheep Food Program is still operating but at a different location. No doubt about it, the economic downturn is a major element in people's lives. Therefore, the Program is currently under transition and transformation from its previous location to one that will provide an opportunity for growth.

More people in the East Oakland and surrounding communities are needing more food, clothes and some have special requests. In order to help meet the physical and service needs of the people we serve, expansion of our food program is very much needed. During the transition period, monetary donations can only be accepted.
